</table>
App Building
Do you want to design your own games or apps? Love Roblox or Minecraft? In this program, children will learn the skills of a game maker through conceiving, designing, and creating their own mobile app games. **Weeks: 4, 5, 6**

Chess
This program will help students learn the basic knowledge of chess: piece movement, check, and checkmate. Students are grouped by grade levels and receive both instruction and guided game play during each session. **Weeks: 1, 5, 6, 7**

Broadway Beginners: Dear Evan Hansen
Discover the magic of musical theatre and create a performance to be shared with families! This class emphasizes creative expression through acting, singing, and movement to the hit musical Dear Evan Hansen. **Week: 2**

Broadway Beginners: Annie the Musical
Discover the magic of musical theatre and create a performance to be shared with families! This class emphasizes creative expression through acting, singing, and movement to the hit musical Annie. **Weeks: 1 & 3**

Eats & Treats
In this introduction to baking class, children will focus on learning some of the basic practices of baking and also the fun of transformation including decorating. **Weeks: 2 & 7**

Taste of Italy
That's Amore! Children will cook and bake and indulge in delightfully simple and still incredibly flavorful Italian food. **Weeks: 3 & 5**

Discover the magic of musical theatre and create a performance to be shared with families! This class emphasizes creative expression through acting, singing, and movement to the hit musical Annie. **Weeks: 1 & 3**
Around the World
They say it’s the most important meal of the day. Whether you’re craving something savory or sweet, why not learn to make some of your favorite breakfast dishes?  
**Weeks: 1 & 6**

Breakfast Bites

Cheerleading
The program will incorporate basic tumbling, cheer motions, dance, beginner stunts and most of all spirit! Classes will focus on acknowledging each attempt and rewarding every success.  
**Weeks: 3, 5, 7**

Cheerleading

Multi-Sports
Participants will play a variety of sports from soccer, ultimate frisbee, basketball, kickball and more!  
**Weeks 1 - 7**

Multi-Sports

Drip Painting
In this art program children will learn and create artwork inspired by Jackson Pollock, a renowned Abstract Expressionist.  
**Weeks 1 & 6**

Drip Painting

Van Gogh
In this art program children will learn to draw and color various paintings of the legendary Vincent Van Gogh.  
**Week: 4**

Van Gogh

Around the World
In this unique cooking class, children learn all about food! Children will learn about food safety, meet new friends, and cook various international dishes!  
**Week: 4**

Around the World
Landscape Painting
In this art program children will follow along step by step as they learn to draw and paint beautiful landscapes in watercolor. **Week: 5**

Messy Science
Don’t be afraid to get down and dirty with some hands-on science experiments! **Week: 4**

Edible Science
Grab a beaker, pick up your whisk, and get ready to cook up some solid science. Using food as our tools and/or ingredients! **Weeks: 5 & 7**

Sensational Science
Do you have a budding scientist on your hands? This is the perfect program to help them learn about the world around them according to science. **Weeks 6 & 7**

Summer Beats
This dance class is designed to introduce hip-hop dance. **Weeks 2 & 7**

Tik-Tok Dance
Dance to the hits of the Tik-Tok. No screens are needed! **Week: 3**
Just Dance: Jazz
Children will learn through a guided stretch, jazz technique skills, and a jazz styled combination. All levels of experience are welcome.
Weeks: 1 & 6

Soca Stars
This high energy movement and dance classes will introduce children to the rhythms, movement and music of Caribbean Carnival! Week: 3 & 7

African Dance
This class will teach the fundamentals of traditional African dance with an emphasis on an understanding of the accompanying drum rhythms. Weeks: 4 & 6
